FARMS Preliminary Reports

The Foundation for Ancient Research and Mormon Studies (FARMS) was founded in 1979 as a clearinghouse to distribute scholarly articles focused on Latter-day Saint scripture. Within a few years, FARMS began collecting and distributing its own “Preliminary Reports.” These were said to consist of “tentative papers reflecting substantial research [that was] not yet ready for final publication.” FARMS made them available “to be critiqued and improved and to stimulate further research.”

Having since absorbed FARMS into the Willes Center for Book of Mormon Studies, the Maxwell Institute offers the FARMS Preliminary Reports here in that same spirit. Although their quality is uneven, they represent the energy and zeal of those who sought to enrich our understanding of LDS scripture.

If you possess copies of Preliminary Reports that are not included on our website, please contact us at maxwell_institute@byu.edu to help us provide the most complete collection possible.

It is unlikely that a list of this size will be error free. Please contact me with any corrections and suggestions. A few passages are ambiguous as to authorship. I have made my best guess in such cases.

In this list, author is defined as originator, not necessarily engraver. Where a passage appeared to be a direct quotation rather than a paraphrase, I have assigned it to the originator. This was the case with many dialogues.

I have tried to distinguish between a prophet's own words and a direct quotation from the Lord. For example, "thus saith the Lord" usually seemed to be stated by the prophet, rather than the Lord.

Introductory material which came from the plates rather than modern editors is also included in the list. In the preface to 1 Nephi the author is clearly stated; in other cases I have suggested a probable author.

Different authors with the same name are labeled as follows:

- Nephi I - Son of Lehi
- Nephi II - Son of Helaman
- Angel 1,2,3,. . . - In order of appearance
- Ammon I - Leader of group who went from Zarahemla to land of Nephi and helped free Limhi's people from bondage.
- Ammon II - Son of Mosiah II, leader of great mission to Lamanites.
- Alma I - Priest of king Noah, converted after listening to Abinadi, founder of church.
- Alma II - Son of Alma I, visited by angel as he and four sons of Mosiah II worked to destroy church, first chief judge, high priest.
- Mosiah II - Son of Benjamin, set up system of judges at the end of his reign. (Mosiah I, father of Benjamin, figured prominently in the record but was not quoted directly.)
- Moroni I - Great general during the protracted war described in Alma 43-63.
- Moroni II - Son of Mormon, finishes his father's record, abridges Book of Ether, writes his own book, buries the records, and delivers them to Joseph Smith.

Helaman I - Son of Alma II , high priest of the church,
leads 2000 stripling Ammonites. (Actually the first
Helaman in the Book of Mormon was a son of Benjamin who
figures only briefly in the record.)

Helaman II - Son of Helaman I, chief judge.

Jared I - Founder and leader of Jaredites along with his
prophet brother.

Jared II - Jaredite king, takes kingdom away from his
father, loses it, regains it through secret
combination.

Mormon - General, compiler of Book of Mormon, son of Mormon
but not designated as "II" because his father figures
so slightly in the record.

Format -- When a passage begins or ends on a word inside a verse,
the word or phrase is given in parentheses following the chapter
and verse number. More than one word is given in parentheses
when the single word which begins or ends a passage would be
confused with the same word appearing elsewhere in the verse.
When a passage starts at the beginning of a verse or finishes at
the end of a verse, the chapter and verse number stand alone.
The designation "(e.v.)" means "end of verse" and is used when a
passage begins inside the verse and finishes at the end of that
same verse.

Examples of format:

- | | |
|---------------------------------|---|
| 1:1 - 1:13 (saying) | The passage begins with the first
word in 1:1 and ends with "saying" in
1:13. |
| 1:13 (Wo) - 1:13 (abominations) | The passage begins with "Wo"
in 1:13 and ends with
"abominations" in the same
verse. |
| 1:14 (Great) - (e.v.) | The passage begins with "Great" in
1:14 and ends at the last word in the same
verse. |
| 2:19 (Blessed) - 2:24 | The passage begins with "Blessed" in 2:19
and ends with the last word in 2:24. |
| 8:29 - 8:32 | The passage begins with the first word in
8:29 and ends with the last word in 8:32. |
| 8:33 | The passage begins with the first word in
8:33 and ends with the last word in 8:33. |
| 11:12 (Look!) | The passage consists of the single word
"Look!" |
| 13:34 (saith the Lamb) | The passage consists of the three words
"saith the Lamb." |
