Note: CWHN refers to volumes in the Collected Works of Hugh Nibley, (Provo and Salt Lake City: F.A.R.M.S. and Deseret Book Company). TAW refers to Donald W. Parry, ed., *Temples of the Ancient World* (Provo and Salt Lake City: F.A.R.M.S. and Deseret Book Company, 1994), a volume in which some of Dr. Nibley's essays which are not in the CWHN series can be found.

In the alphabetical index, the number in italics give the volume number in the series, and the number following the colon gives the page number; thus the reference CWHN *13*:76 directs the reader to an article in volume 13 of the Collected Works of Hugh Nibley, beginning on page 76.
